Hastings' Special Seed Price List

NOV. 21, 1921

LIST No. 189

For Prompt Orders—subject to stock unsold. These prices are f. o. b. ATLANTA, customer to pay freight or express. If you want delivered prices we will make a special estimate for you upon request. Prices are strictly net cash and no discount. We guarantee safe arrival in good order, except perishable goods which may be damaged in transit.

Any Seeds ordered from us may be returned promptly if not entirely satisfactory and money for them will be refunded, but we do not and cannot in any way warrant the crop and all orders are accepted subject to the conditions printed in our Catalogue for 1921.

H. G. HASTINGS CO.

No extra charge for sacks, crates or cartage. All Field Seed thoroughly recleaned, graded and tested. Clover and Grass Seed of the highest quality and purity.

Crimson Clover

A very valuable annual clover planted in the South from August to November. Can be grazed through the winter, and if stock is taken off in March a full crop of hay can be harvested in spring. Crimson Clover is considered one of the greatest soil improvers known. Plant 20 pounds of seed per acre. Inoculate with Mulford's cultures. Price: 10 lbs. at 15c; 100 lbs. or more at 14c.

Write for Crimson Clover bulletin.

Clovers

	10 lbs.	100 lbs.
